Patterson: NCOs must hold the standard

The Commander's Corner is a feature dedicated to providing information to the 8th MP Brigade community. This issue, Command Sgt. Maj. Norwood Patterson, 94th MP Battalion command sergeant major, gives advice on being a successful leader.

Col. Falkner Heard III
Commander
8th MP Brigade

I would like to give the NCOs of the 8th MP Brigade something to think about.

First, and most importantly, we are Soldiers as well as leaders.

You have an individual responsibility to accomplish all assigned tasks to the best of your ability.

You must seize every opportunity for individual growth and improvement.

Assuming responsibility for the lives, health and welfare of your Soldiers is an awesome task.

In today's fast moving,

high-tech Army, it is sometimes extremely difficult to balance the day-to-day pressure of which comes first, "the mission or the Soldiers."

There will be times when we will have to draw on our experiences, our moral standards and courage to make decisions.

In some cases, the mission will receive the priority and may not be a popular decision.

In other situations, the welfare of the Soldiers will command top priority. Many times, you will make the right decisions, but other times you may be mistaken.

Either way, you must make the decision and live with it.

This is all part of the training process. You must be willing to make a decision based on the best information available at that time.

The assumption of responsibility and thoughts of failure should not be feared.

When responsibilities are given to you, embrace them as learning opportunities.

Do not pawn them off, and if you fail, do not make excuses, for it is through success and failure that you will grow as a leader. You must be the role models. You must

never compromise your integrity, your words or your deeds.

It is important that professional and personal ethics be of the highest caliber in all that you do.

I challenge you to be the professional Soldier, to be loyal to the ideas of this nation, to selfless service, and above all, to your family.

The true professional understands that the Army exists to serve and defend the nation. A true professional will always do his or her best to defend American ideas.

Remember, that leadership of excellence starts here with you, the NCO corps.

By gaining expertise with the equipment, the Soldiers can improve squad and platoon teamwork in a different environment so any MP teams know how to work together.

“We’re all trained in the same level so we all know what to do,” said Capt. Aaron Poulin, 142nd MP Co. commander.

The night training also helped give Soldiers a more realistic training experience and a variation on the usual day fire exercises.

“They have to be ready to fight during the day or night,” said Poulin. “It’s real-world training; it

Getting ready for day-time missions, MPs from 3rd Platoon, 557th MP Company practiced reacting to an IED, dismounting vehicles, assaulting an objective, as-

sessing damages and sending up reports during training April 21.

Soldiers dismounted their Humvees and shot back at assailants while taking cover behind berms before tactically moving toward and beyond the targets.

“This helps our Soldiers get somewhat of a real-world experience when they’re out there faced with combat,” said Sgt. George Dominguez, 1st squad leader.

Dominguez, who has recently served in Iraq, said the training will help Soldiers learn how to handle situations, as well as give them the experience and confidence to ride in a vehicle while firing their weapons.

142헌병중대 2소대 장병들은 4월 20일 밤, 야간 전투용 고글을 착용하고 실제사격연습을 진행했다.

네 대의 험비에 나누어진 팀들은 두 개의 라인으로 나누어서 위리어 벨리의 다른 장병들이 엄호 사격을 하는 동안 두 대의 험비는 위로 이동하는 바운딩 오버와치를 연습했다.

헌병들은 열 센서를 이용

한 무기의 나이트 비전 장치로 정지 목표물과 이동 목표물을 맞추었다.

헌병들이 이런 장비를 이용할 기회는 일 년에 한 두 번 밖에 없다.

이같은 장비를 이용해 봄으로써 장병들은 다른 상황에서 다른 헌병팀들과 함께 일할 때의 팀워크를 증진시킬 수 있다.

142헌병중대장 애론 폴린 대위는, “우리는 같은 단계에서 함께 훈련을 받기 때문에 무엇을 해야할지 알고 있습니다.”라고 말했다.

이번 야간 훈련은 장병들

이 실제로 더욱 가까운 훈련 경험을 쌓고 평범한 실제사격훈련과는 다른 점을 배울 수 있게 해주었다.

폴린 대위는, “헌병들은 밤낮을 가리지 않고 싸울 준비가 되어 있어야 합니다. 이게 진짜 훈련입니다. 이를 통해 그들은 어떤 상황에 도 대처할 수 있을 것입니다.”라고 말했다.

낮 동안의 임무를 준비한 557헌병중대 3소대 헌병들은 4월 21일에 폭발물 대응, 차량 무장해체, 목표물에 돌격하기, 손실 평가 및 보고 제출 등을 연습했다.

최근에 이라크에 파병되었던 도밍게즈 병장은 이 훈련을 통해 장병들이 어떻게 상황을 통제하는지를 배우고 무기로 공격하면서 차량에 탑승하는 것에 대한 경험과 자신감을 얻게 될 것이라고 말했다.

Korean and U.S. military and civilian law enforcement members met April 19 at the Dragon Hill Lodge to discuss and review current law issues during the Law Enforcement Conference held April 19-21.

Hosted by Col. Falkner Heard III, 8th MP Brigade commander, Combined Forces Command, USFK and 8th United States

Army Provost Marshal, the reception is the first part of the annual conference held in Yongsan.

Heard welcomed the crowd in his opening speech before guest speaker, Lt. Gen. David P. Valcourt, 8th U.S. Army

commander, presented commemorative gifts to various Korean law enforcement personnel for their many important

contributions.

Valcourt, Heard and the recipients traditionally cut a cake with a sword before the guest dined on the double-layered cake.

On April 20, officials discussed areas of concern, such as Human Trafficking and Prostitution and investigative branch overviews. With 8th MP Bde. moving to Hawaii in the upcoming year, work-

ing groups discussed how to continue the law enforcement commitment on peninsula.

"In law enforcement, we share intelligence, information to ensure proper execution. By working closely, we're able to do the mission," said Heard.

The comradeship gained at the conference will allow both Korean and U.S. personnel to improve law enforcement in Korea.

In addition to drummers, several KATUSAs also danced while hitting a tambourine-like instrument.

With military precision, the drummers exited the stage to loud applause from the roughly 400-member audience.

The judges, sergeants major from units in Yongsan, used several criteria to decide the winner, including the most applauded and celebrated act.

MPs wrestled, tugged and fought for bragging rights as winners of this year's KATUSA Friendship Week held in Yongsan April 24-28.

Starting out the festivities as winners of the talent show, the brigade

gradually lost as defending champions to different units in softball, soccer, flag football, basketball, Korean wrestling and tug of war.

Brigade Soldiers won early on but lost in later rounds.

In the first sporting event, cheers and chants from the crowd encouraged the brigade softball team as they rolled to a blow-out win

용산에서 근무하는 헌병들은 4월 24일에서 28일까지 5일 동안 진행된 2006년 카투사/미군 친선 주간 행사에 참가하여 그들의 기량을 뽐냈다.

이번 친선 주간의 첫 번째 행사인 장기자랑에서 우승한 8헌병여단은 소프트볼, 축구, 플래그 풋볼, 농구, 씨름, 줄다리기에서는 우승하지 못했다.

여단 장병들은 초반부에 승리했지만 후반까지 그 기세를 이어가지는 못했다.

첫 번째 운동 종목이었던 소프트볼에서는 여러 군중들의 응원에 힘입어 8군본사 팀을 이길 수 있었다.

4월 27일에 있었던 1통신여단과의 두 번째 경기에서는 비록 지고 말았지만 8헌병여단장 포크너 허드 3세 대령은 이번 카투사/미군 친선 주간은 부대들 간의 승부를 떠나서 매우 중요한 의미를 가지고 있다고 말했다.

허드 대령은, “가장 중요한 것은 다른 부대와의 관계와 카투사와 미군 사이의 유대관계입니다.”라고 말했다.

농구와 풋볼 게임에서도 첫 경기는 승리했지만 두 번째 경기에서는 아쉽게 지고 말았다.

8헌병여단의 오르만 탈버트 상병은, “첫 번째 농구 경기에서는 아주 기세가 높았습니다. 팀웍과 패스가 특히 뛰어났죠.”라고 말했다.

다른 장병들도 경기를 하면서 같은 팀원과 함께 협동했던 것이 가장 중요한 부분이었다는 말에 동감했다.
